USPSA/IPSC endeavors to ensure safe, fair design and running of practical shooting matches. Match directors and officers of USPSA clubs have indicated their willingness to abide by and run matches under current USPSA rules and policies. However, USPSA has no control over the range configuration, match setup, or administration of the events. We cannot, therefore, accept responsibility for their safe and proper conduct. It is the shooters' responsibility to conduct themselves safely, and the match management's responsibility to conduct a safe match.
